Deputy Director's Staff Meeting

26 December 1950

25X6 1. Discussion of the advisability of the Office of Operations editing and publishing scientific intelligence material collected by the Department of State [redacted]. It was agreed that, whereas this responsibility definitely was not CIA's, that for the time being we would perform the function.

25X1 2. Discussion of the preparation of a history of CIA and its development. It was agreed that [redacted] should do this and that he should work under the Office of Intelligence Coordination.

25X1 3. Discussion of a CIA representative on the Advisory Committee on Export Policy. It was agreed that it was premature to make a decision on this in view of the reorganization of O/RR.

25X1 4. Discussion of [redacted] with the decision that an announcement would be made that its issuance would be delayed until January 15, 1951. Mr. [redacted] will issue announcement to this affect.
